

# Rasgueado

1. Make a loose fist
2. Place thumb on sixth string
3. "e" finger (pinky) pops out to hit strings. other fingers stay in fist.
4. "a" (ring) finger pops out.
5. "m" (middle) finger pops out.
6. "i" (index) finger pops out.  
At the same time, "e" (pinky finger) is drawn back to starting position.
7. "i" (index) finger strums up, returning it to start position along with other fingers.
8. Repeat #3 - #7 several times, working up to at least 100 repetitions
